

K-4 Entertains Visitors with Thanksgiving Program

One day before Thanksgiving the NBA gym was bursting at the seams with moms, dads, grandparents, and many brothers and sisters.

The annual Thanksgiving program began with Lake Michigan's students performing the ABC's of Thanksgiving and a seasonal song.

Next, Lake Superior and Lake Ontario mounted the risers to entertain the crowd with a number of seasonal songs. "If Your Thankful and you Know it" was easily the crowd's favorite as the students performed the audience was so delighted to watch their children. "Gobble, Gobble, Gobble", "It's Thanksgiving" and

"Dinner Bells" were some of the songs performed. The children enjoyed having the parents participate, when the whole crowd joined in singing and dancing together to the "Turkey Pokey". Thanks to the children's efforts as well as the hard work of Mr. Walsh, Mrs. Kendrick, Ms. Silva, our

families enjoyed a memorable kick-off to our holiday season. We especially want to thank all who volunteered decorating, setting up our refreshments, as well as all the families who donated the delicious goodies, juice and items to make this a great event.

Mitten Tree gifts due Dec. 14th

There is still time to donate items so we can meet our goal of 2000 items. Place the items under the mitten tree in our lobby. This year NBA is collecting items for our community families in need. Thank you for your continued generosity in helping to make the holidays brighter for others.

NBA's Mission Statement:

New Bedford Academy is a fully accredited public school providing quality education through ability-based instruction in a safe and caring environment.

THE ROCKETEER is a monthly newsletter distributed to all NBA families via our Home/School envelopes. Each issue is packed with important information regarding activities, policies, and upcoming events. Please read THE ROCKETEER carefully and post all pertinent flyers and calendars for future reference. Return orders promptly and be sure to initial and return the Home/School envelope so that the next issue may be inserted and no part of it will be lost.

The next issue will be sent home the last week of January.

Rose Pest Control comes the second Friday of each month. We will notify you with a sticker on the front door inside the rocket if any indoor applications are necessary.

Lake Michigan students cheer on the Toledo Walleye team! submitted by Ms. Silva

Students from Lake Michigan recently joined students from Lake Erie on an exciting field trip to watch the Toledo, Walleye defeat the Fort Wayne, Komets. Students were given VIP treatment by being able to high five the whole team as they made their way to the ice. They were also able to cheer on the Walleye from the Goal Zone during the first period. Students were also given the experience of watching firsthand

the making of a new TV show that takes place in Toledo. A film crew used our seats to shoot some scenes from the show titled "AP Bio" which is to air on NBC, February 2018. Mike O'Brien, one of the crea-

tors, executive producers and writers who is a native of Blissfield and attended school in Toledo, stopped by to chat with a couple of our students. It was quite the field trip!
