6	Mid Quarter
9	Board Meeting 7:45 AM
11	Spirit Day
12	Birthday Bash

We are off to a great start so far this month!

It has been really great getting to know all of the students in my classroom. We will begin NWEA testing next week. Both grades will be tested on Language Arts and Math. Their scores on the tests will help me determine areas in which each student needs more instruction or which areas are a strong point for each student.

The students have begun their “Weekly Math Homework” assignments this week. Each night the students will have one day/column of homework to complete. We will go over certain skills in class, but the majority of the assignment will be completed by the students on their own. They should be showing their work and trying each problem, even if they are unsure how to complete one.

If you have any questions, comments, or concerns please feel free to contact me through email or calling the office. 734-854-5437.

Be sure to sign up for Remind! This is one that is specifically for Lake Erie reminders and notifications and one for the whole school. Be sure to sign up for both so you can stay up to date on important things happening around the school!
