### Special points of interest:

- Reenrollment ends  
March 3rd
- 3rd Qtr. Book report  
Presentations  
-Wednesday March 8th

## Important Information

February has been off to a great start! Students are working hard to make the third quarter their best. In Language Arts, we have begun to study poetry and the students will be learning how to write different types of poems. This will really help to expand their minds and allow them to think outside of the box and put emotions and feeling into their writing.

Students have also been working very hard in Science and Social Studies. In Science, the students are learning about our Earth's surface and how it has changed over time. In Social Studies, the 6th graders are beginning to learn about Canada. The 5th graders are focusing on the different colonial regions such as the New England colonies.

In Reading, we are finally working our way out of the Literature books and have begun reading novels. Students will be asked to read chapters from the book given to them on their own and then be able to answer questions during "book talks" with the class. Students usually find novels to be more exciting than the stories from the Literature books!

Reenrollment begins February 17th. This is super important!! Please make sure to return your child's reenrollment packet as soon as possible to ensure that your child has a spot here at our school. Reenrollment ends March 3rd.

Students who have sold Little Caesar pizza kits can pick up those orders here at school on February 24th. If they have an order that is more than 3 boxes, the orders will need to be picked up by a parent in the gym.

Doughnuts with Dad is Tuesday, February 28th from 7:15-8:00 A.M. Students love having their dads come to school and enjoy a delicious breakfast with them and their classmates.

Lastly, if you would like to donate materials to the class, we are in need of scissors. Small, hand-held scissors are great for the whole class to use. We could also use .7 mechanical pencils and lead or regular #2 pencils as well. Thank you so much!

## What to look forward to!

\*Our next box top competition is under way!! This time, the winning class receives a pizza party! Remember to cut the box tops perfectly so we can earn an additional 1000 points!

\*Our 3rd quarter book report presentations are Wednesday, March 8th. Students should be prepared as they will have over a month to work on these. Please don't wait until the week of to start working on them. They are a big part of 3rd quarter grades!

\*There will be a meeting about camp for students and parents on March 14th. The student's meeting will be during school at 1:30 and the parents' meeting will be in the evening at 6:00. Please make sure to attend if you have any questions regarding camp. A packet with more information about this will be sent home soon.
