What's Happening

March began with all of the New Bedford Academy students celebrating Right to Read week. During that week, we celebrated a different sports' theme each day. The students that read each night and returned his/her ticket received a treat for that day. .

The students are also beginning to work on writing stories for Young Authors. This is when each student writes a book to display in the gymnasium during conferences. Don't forget to stop in the gymnasium before or after your third quarter conference to

see all of the students' hard work and creativity.

It seems that report card time is here once again. The week of March 16th, I will be doing assessments, so that I can complete each student's report card.

These assessments are completed one-on-one with each student. I will share the results of the assessments with you at your child's student-led conference. Report cards will be coming home on March 31st. Be sure to check your child's backpack for his/her report card that afternoon.

Reminder

Don't forget about the half days of school (dismissal at noon) that we will be having at the end of March and the beginning of April. March 26th will be a half day of school because of Records Day. March 31st, April 1st and

April 2nd will also be half days of school because we will be having student-led conferences in the afternoon on those days. Please disregard the lunches that are listed on the March calendar on those particular days.
