## END OF THE YEAR HAPPENINGS!

There are a lot of fun and exciting things going on in these last few weeks of school! On Tuesday, May 19<sup>th</sup>, we will be going on a field trip to a Mud Hens game. It will be an all-day event and students will be eating at the field. They will receive a lunch voucher to get a hot dog, chips, and a drink. They may bring other money with them if they would like to get anything else. This day will also be a spirit day for Lake Huron students only. They can wear jeans and an NBA shirt.

On Tuesday, June 2<sup>nd</sup>, Lake Huron will go on their last field trip of the year to a picnic at Wildwood Metro Park. Students will need to bring a lunch that can be thrown away. It will also be a spirit day for Lake Huron students only. An additional letter will be sent home at a later date discussing more information about this field trip.

On Friday, June 5<sup>th</sup>, a breakfast will be made for our wonderful volunteers that take time out of their busy schedules to help our school and classrooms run efficiently. We appreciate everything they do!

Our last day of school is a half day on June 9<sup>th</sup> and is very busy. It will be spirit day so students may wear jeans along with a NBA shirt. We will have Principal's Breakfast, All Year Awards Assembly, and Fun and Field Day.

The 2014/2015 school year is coming to an end. There are only three and a half weeks left of school. That doesn't leave much time for students to raise their grades if needed. Students should be making sure they are studying for all their final tests as well as using their class time wisely to get work done and ask questions. I don't want to see their effort and conduct fall just because it is the end of the year. We want to make the final quarter grades the absolute best!
