

Lake Ontario News

What's Happening

What a fun and exciting end of the school year we are having in Lake Ontario. The remainder of May and the month of June will be a very busy time for us.

We have a special field trip coming up at the end of May. On May 28th, we will be going to the Imagination Station. We will be needing many chaperones to accompany us on the field trip. Please keep this day free, if possible, so that you may join us for all of the fun. Information about this field trip went home last week. If you didn't receive the paper please let me know.

Much of our free time during the end of May and beginning of June will be spent learning and practicing songs that we will perform at our Kindergarten Graduation. The graduation will be on Monday, June 8th at 1:30

pm. The students are allowed to wear dress code clothing or better that day. Family and friends are welcome to join us for the festivities. There will be refreshments after the graduation. I will be sending home a form for parents to volunteer to send in cookies and punch.

I have a special slideshow of the students that I share at graduation. If you have taken any pictures of the students during field trips or parties this school year, please email them to slattea@newbedfordacademy.com or send a copy of the picture(s) to school with your child. I would love to include them in the slideshow. Thank you for your help and support with the slideshow. The students love seeing pictures of themselves from earlier in the school year.

Thank You

All of us in Lake Ontario would like to thank the family members who volunteered to come with us on our field trip to the Toledo Zoo. The students had so much fun walking around the zoo

and learning about the animals with their friends. This fun and exciting opportunity wouldn't be possible without the help from volunteers. We appreciate you taking the time to join us.
