What we are learning:

5th gr. Reading: We are just finishing up the theme of "Nature's Fury" and will begin Poetry soon.

6th gr. Reading: We are just finishing up the theme of "Courage" and will begin Folk Tales soon.

Writing: Students have been working on adding detail/adjectives to their writing.

Vocabulary: Students should continue to practice using their terms correctly within sentences and make flashcards to study.

Math: We are beginning to move quicker in our math. Once students have reached a certain point, they will be given a mid-quarter review of all the lessons they have been taught to ensure they remember all the standards.

5thgr. History: We are learning the different cultural regions of the Native Americans and why Europeans left for the new world. We will be studying different artifacts that may have been found on their ships.

6th gr. Geography: We will be learning about the world's people and their different cultures and environments. We will specifically be focusing on the people in the United States and Canada.

Science- 5th graders are studying populations and ecosystems and 6th graders are studying cells and heredity.

Reminders:

~We are still collecting box tops even though the competition is over. ☺ There will be another competition later on in the year so keep bringing them in! Remember, we also get an extra 1000 points if all the box tops are trimmed!

~If you have not yet signed up for REMIND text alerts, please do so. Lake Huron has their own Remind number for any special events/notices within our classroom only. Just text @2hb9g to 81010 to receive these important text messages.

~Lake Huron is having a Thanksgiving party on Wednesday, November 23, 2016. We will be having pizza and pop while watching a movie. I am asking all students to bring in \$2 each to help pay for the pizza and pop. If you would like to bring in a dessert, you may do that as well.
