Nov. 15	Spirit Day
Nov. 16	Birthday Bash
Nov. 17	Pie in the face assembly 11:00
Nov. 21	Jeans for a \$1
Nov. 22	K-4 Thanksgiving Program 1:30
Nov. 23-24	No School
Nov. 28	Jeans for cards
Dec. 1	2 nd Mid-Quarter

What we are learning:

Reading: 5th graders are continuing to read stories from the theme "Nature's Fury" and 6th graders are continuing to read stories from the theme "Courage."

Writing: Students have been working on adding detail/adjectives to their writing.

Vocabulary: Students should continue to practice using their terms correctly within sentences and make flashcards to study. They could be studying each unit on the Vocabulary website given to them as well.

Math: We are beginning to move quicker in our math. Once students have reached a certain point, they will be given a mid-quarter review of all the lessons they have been taught to ensure they remember all the standards. Practicing each standard on Study Island will be very helpful also.

5thgr. History: We just began learning about the seven different cultural regions where the Native Americans settled.

6thgr. Geography: We will be learning about the land, culture, and population of the United States and Canada.

Science- 5th graders are learning about ecosystems and populations. 6th graders are learning about cells and heredity.

Reminders:

~Our field trip to Imagination Station is Thursday, Nov. 14th. We will be leaving the school by 10:00 and return by 2:30. Only Lake Huron students will be able to wear jeans and a spirit shirt this day. They will also need to bring a packed lunch that can be thrown away afterward.

~We are still collecting box tops and pop tabs! Don't forget to tell family and friends to save them as well!
