

Lake Ontario Times

What's Going On

First of all let me thank all of the parents who volunteered for the Harvest Festival, our field trip to the farm, Autumn Day, or any other of the awesome things that you have done for this class. It is obvious to me after we have met for conferences that you are as passionate about your child's learning as I am.

I will be sending home information on our next field trip as it becomes available. I would really appreciate it if we could

get as many family members as possible coming to our Thanksgiving program. Your children have worked very hard to come up with a program that is exciting and enjoyable to watch. It will be a fun time for all. Be ready to dance the Turkey Pokey!

Reminders

Please remember to send your child to school with gym shoes on Fridays. Black dress shoes scuff the floor of the gym. If you have a pair of tennis shoes that your child does not wear anymore, your child is welcome to keep them in his or

her cubby. Doing this will help keep our gym looking beautiful for years to come. After all, it's the gym that I had physical education in when I was a kid!
